The doll show given by the girls of the National Cathedral School, of which Mrs. Harbort Walker is the principal, last Friday evening was a pronounced success. The program, which was in the hands of Master Robert Bell and his company, was very capably carried out, but the feature of the evening was a violin solo by Miss Effie Raner, aged eleven, accompanied by Anton Kaspar. Little Miss Raner's playing was exceptional, and there was nothing childish or immature about it.

A good number of the dolls were sold, but those that are left will be on sale at the school every afternoon during this week, the proceeds to be devoted to the Christmas charity work of the school. The prize for the best dressed doll, a set of sewing scissors, went to a doll representing Peter Pan, and the prize for the best sewing on the dolls' clothes, a silver frame, went to a baby doll.
